

Press Release

Standard Chartered shares Jumpstart Global Market Outlook with clients

8 July 2021, Brunei Darussalam – Standard Chartered Securities hosted a Global Market Outlook webinar yesterday over tea at Mutiara Ballroom, Radisson Hotel in Bandar Seri Begawan which was attended by clients of the Bank. Judy Hsu, Regional Chief Executive Officer, ASEAN and South Asia, Standard Chartered Bank opened the global webinar with a welcoming remarks.

On hand to welcome guests was Brenda Low, CEO of Standard Chartered Securities. In her welcoming remarks, she stated:

“2021 remains a complex year. However, as a saying goes ‘There is a rainbow behind every dark cloud’, and this refers to the strong performance of global equities since early 2021. This will likely give way to a more sustainable pace of growth and recovery globally.

Despite this optimistic outlook on global equities, we are still experiencing moments of uncertainty. Inflation remains a risk to this outlook. However, the Bank as a whole remains resilient and we are striding confidently along this transformation path by preparing the entity for greater challenges, without losing focus on our purpose which is driving commerce and prosperity through our unique diversity and also play our part in creating a more sustainable world”

During the webinar, Standard Chartered’s Key Investment strategists shared the global outlook for the final half of year 2021. Joining them in a fireside chat were Marc Van de Walle, Standard Chartered’s Global Head of Wealth Management and Larry Fink, BlackRock’s Chairman and CEO.

Standard Chartered Securities offers the widest range of wealth products and advisory services. Potential investors are required to complete a client risk profiling assessment to ensure that clients understand their risk appetite before taking up any wealth products. Investors who wish to know more about investment products and services can visit Standard Chartered’s Gadong and Kuala Belait branches to speak to any licensed relationship manager or wealth consultant or visit the bank’s website www.sc.com/bn.
