Visitors to the Consumer Fair will also be able to enjoy BIBD's digital payment solutions via the BIBD NEXGEN Wallet and support local vendors with a variety of cashless payment methods available at the fair.

Utilising cashless payments at the fair will entitle customers to participate in a 'spin and win' activity - providing them with chances of winning prizes like Airwheel Luggage, home appliances such as a robo-vacuum and scent diffuser and e-scooter and many more.

Customers can also witness the crowning of the grand winner of the BIBD Aspirasi 5 who will walk away with BND250,000, along with other winners who will also bring home cash prizes tomorrow.
