

BAIDURI CAPITAL HOSTS SECURITIES TRADING WORKSHOP

Bandar Seri Begawan, 14 August 2024 – Baiduri Capital conducted a series of educational workshops on securities trading, led by Benjamin Tay, Content Director at Prolifick Holdings and an active trader in the US and HK stock markets. The workshops took place at Baiduri Enterprise Hub over two days, from 13-14 August 2024.

More than 50 invited clients attended the workshops, which were organised as part of Baiduri Capital's ongoing efforts to foster interest and enhance knowledge in trading. Participants also benefited from live technical analysis and demonstrations of the advanced tools available on investment platforms accessible in Brunei Darussalam.

Benjamin Tay is a seasoned trader with over a decade of experience in the US stock market. His extensive background includes roles as a content creator and trade representative at Singapore's largest securities firm. Over the past three years, he has conducted more than 60 presentations on financial literacy and has contributed as a ghostwriter for leading Singaporean financial education firms.

Brian Wong, General Manager of Baiduri Capital, said: "We aim to support Bruneian traders in achieving success by equipping them with the necessary tools and education to trade with confidence and effectiveness. Our online securities trading portal, the first and only in the country, enables customers to access global stock markets with ease and convenience, while also benefiting from the features and analysis that our platform offers. Unlike trading with foreign brokers, our customers can also enjoy better support and assistance from our local team."

Established in 2015, Baiduri Capital is a wholly owned subsidiary of Baiduri Bank, specialising in securities trading and investment products. Through its secure web-based online securities trading portal, the first and only in the country, customers can trade in Singapore, HK, China (A-shares), Malaysia and the New York Stock Exchange (NYSE), NASDAQ Stock Market as well as the NYSE American. In addition to securities trading, Baiduri Capital also offers Unit Trusts, ETFs, and Bonds.
