

**BAIDURI FINANCE REWARD THREE MORE WINNERS IN THIRD
'DRIVE YOUR SAVINGS FURTHER' DRAW**

Bandar Seri Begawan, 19 December 2025 – Baiduri Finance held its third bi-monthly prize presentation for the ongoing Drive Your Savings Further campaign, which celebrates the refreshed Multi-Rate Savings Account (MRSA).

The presentation, held at Baiduri Finance's Sumbangsih Branch, awarded three more lucky winners – Hj Hasnan bin Haji Ismail, Lim Chiao Yuen and Mohammad Faiq bin Haji Mohd Yassin – each received BND1,000. The prizes were presented by Grace Lim Hui Hoon, Head of Credit Control Division at Baiduri Finance, in the presence of Baiduri Finance staff and management.

Launched in June 2025, the Drive Your Savings Further campaign rewards new customers who open an MRSA with automatic entries into a series of lucky draws. The MRSA offers tiered interest rates of up to 1.38% per annum, and customers who also take up a Hire Purchase are entitled to special rates.

In addition to the bi-monthly cash prizes, customers remain eligible for the campaign's grand draw in December, which will feature three major prizes: a BYD Sealion 6, a BYD Seal 5, and a BND10,000 cash prize.

"The MRSA is designed to get people thinking about their financial goals. It's about turning everyday saving into something simple, rewarding, and built to last. This campaign honours those who choose to make their savings work smarter and harder," said Hj Mohamad Rayme, General Manager of Baiduri Finance.

The Drive Your Savings Further campaign runs until December 2025 and is open exclusively to new customers who have not held a savings, current, or fixed deposit account with Baiduri Finance or Baiduri Bank within the last six months. The account requires a minimum deposit of BND5,000 and a minimum balance of BND1,000 to maintain.
